WEBSITE DEVELOPMENT PROPOSAL

Freelance Web Developer, Surat, Gujarat

sahilk16.sk@gmail.com | +91 8320727731 | [Sahil Kayasth | MERN Stack Developer](#)

PREPARED FOR Conmount Minerals & Building Materials Surat, Gujarat	DATE 26th June, 2026	VALID UNTIL 26 July, 2026
--	---------------------------------------	--

COVER NOTE

Thank you for giving me the opportunity to submit this proposal for the development of your company website. After going through your brochure, I have a clear understanding of Conmount's product range — minerals, aggregates, cementitious materials, and Ready Mix Concrete — and the professional image your brand deserves online.

I am a freelance web developer based in Surat with good hands-on experience building business and corporate websites for manufacturing, trading, and infrastructure companies. I work independently, which means lower overheads and better value for you compared to agencies.

This proposal outlines my understanding of your requirements, the scope of work, timeline, and pricing. I am confident I can deliver a website that reflects Conmount's quality and expertise while helping you attract new clients and establish a strong digital presence.

SCOPE OF WORK

Based on your brochure and product portfolio, I propose a professional multi-page business website with the following pages and features:

Page / Section	Content & Features
Home Page	Hero banner, company intro, product category overview, why choose us, CTA buttons.
About Us	Company story, vision & mission, in-house process (Mining → Processing → Manufacturing → Delivery).
Minerals	Limestone, Dolomite, Feldspar, Quartz, Silica Sand, Red Ochre, Quartzite, Laterite — with specs.
Aggregates	Coarse & Fine aggregates, product range, applications, quality highlights.

GGBS	What is GGBS, manufacturing process, composition table, advantages, application sectors.
Cementitious Materials	GGBS, Cement, Fly Ash, Ultra-Fine — with applications.
Ready Mix Concrete (RMC)	Conmount RMC overview, why us, reach & services.
Contact Us	Enquiry form, phone numbers, email, Google Maps embed, WhatsApp button.
Admin / Enquiry Panel	Simple backend to receive and view enquiry form submissions (optional but recommended).

TECHNICAL FEATURES INCLUDED

✓ Mobile-Responsive Design	✓ SEO-Friendly Structure
✓ Fast Loading (Optimised Images)	✓ SSL-Ready & Secure
✓ WhatsApp Click-to-Chat Button	✓ Google Maps Integration
✓ Product Spec Tables (all minerals/materials)	✓ Enquiry / Quote Request Form
✓ Social Media Links	✓ Basic On-Page SEO (meta tags, titles)
✓ Cross-Browser Compatible	✓ 6-Month Bug Support (post-launch)

PROJECT TIMELINE

Phase	Deliverable	Duration
Phase 1	Requirement discussion, sitemap, wireframe approval	4 - 5 days
Phase 2	Design (Homepage + Inner pages UI)	6 - 7 days
Phase 3	Development — all pages, forms, mobile view	8 - 11 days
Phase 4	Content integration (text + images from client)	8 - 4 days
Phase 5	Testing, SEO setup, revisions	4 - 5 days
Phase 6	Final delivery, deployment, handover	2 - 3 days
	Total Estimated Timeline	32 - 35 days

Note: The above given timeline may vary according to the specific client requirements.

PRICING BREAKDOWN

Item	Details	Amount (₹)

Note: The above given prices are approximate prices according to the market. It may vary specific requirements.

PAYMENT TERMS

Milestone	Payment Amount	When
Advance / Project initialization	25% of the finalized amount	Before work begins
Final delivery after development & completion	Remaining 75% of the finalized amount	Within 10 - 15 days after the website delivery

WHAT I NEED FROM THE CLIENT

- Company logo (high-resolution)
- Domain name preference (or assistance to register)
- Any reference website links liked by your team
- Product photos / site photos (if available)
- Color & style preference (or leave it to me)
- Contact details to display on website

TERMS & CONDITIONS

1. This proposal is valid for 30 days from the date of issue.
2. Scope is limited to pages and features listed. Any additional pages or features will be quoted separately.
3. Content (text, images, videos) to be provided by the client. Stock images can be sourced at no extra cost.
4. 6 months of free bug-fix support post-launch (does not include new feature development).
5. Hosting, domain, and email hosting costs are borne by the client directly.
6. Project timeline starts from the date of advance payment and first content/asset delivery.
7. I retain the right to include the website in my portfolio unless requested otherwise.

Let's build something great together.

I look forward to working with Conmount and creating a website that truly represents your brand's quality and professionalism. Please feel free to call or WhatsApp me for any queries.

Warm Regards,

Sahil Kayasth
