OFFER LETTER FOR INTERNSHIP

Dear **Sahil Kayasth**,

We are pleased to offer you the opportunity to join **Vasoya Brothers Infotech** as a **Full-Stack Intern**.

Your internship will begin on **18th Aug 2026** and continue until **18th Feb 2027**. During this period, you will work with our team and gain practical exposure to live projects and professional workflows.

As part of your internship, you will work on tasks related to full-stack web development, frontend and backend development, database management, API integration, AI-powered features, and research-based development activities. You will also gain practical experience with modern web technologies, AI tools, development workflows, and real-world project environments under the guidance of our professional team.

We expect you to follow company rules, maintain discipline, complete assigned work on time, and demonstrate a professional attitude during your internship tenure. After successful completion of the internship, you will be awarded an Internship Completion Certificate from Vasoya Brothers Infotech.

We are excited to have you on board and wish you a successful learning journey with us.

Utsav Vasoya
CEO & Founder
